Information to Tenderer

1. Tender should be submitted in a sealed envelope and clearly marked “Concrete Supply Tender #01-2021 and submitted to:

**Treasurer, Town of Renfrew
127 Raglan St. S., Renfrew, Ontario, K7V 1P8**

- no later than 10:00 a.m. on March 18, 2021 (Local Time).
2. All quoted unit prices must include any other applicable charges but, are to exclude HST.
 3. Inquiries regarding detailed requirements and specifications of the work should be directed to Connor Jamieson at 432-8166 or cjamieson@renfrew.ca.
 4. The lowest or any tender will not necessarily be accepted. Award of the tender will be based upon many factors including, but not limited to quote prices, material quality from previous past projects and other relevant information provided in the tender.
 5. The tender shall remain valid for a period of 60 days from the tender closing date.
 6. Addendums must be submitted along with the tender form.

Standard Specifications

1. Concrete shall conform to OPSS 351.05 and OPSS 1350.
2. Any other appropriate current Ontario Provincial Standard Specification (OPSS) and Drawing (OPSD) as produced and amended by the province of Ontario apply to these Works unless otherwise outlined in the following Specifications and the attached Special Provisions.
3. All concrete shall have a minimum compressive strength of 30 Mpa at 28 days and shall contain 5.5% - 8.5% air entrainment, measured prior to placement. The slump, measured prior to placement, shall be between 50 and 90mm.
4. Mix design and aggregate shall meet MTO specifications. (Maximum aggregate size = 19mm nominally). Mix design must accompany tender submission.

Special Provisions

1. “Supply” includes all equipment, material and labour and quality control to perform the work as required.
2. The estimated quantities are subject to budget approval by Renfrew Town Council.
3. The supplier shall carry liability insurance in an amount not less than \$2,000,000 to cover any possible claim by third parties due to this operation. A copy of this policy shall, upon request, be presented to the Town. The above noted insurance shall be continued in force for the duration of the work performed under this tender.
4. The supplier must perform an air test on each load delivered and provide the results to a Town employee on-site prior to unloading.
5. The supplier, at his cost, shall take concrete cylinders from every second (2nd) load of each day and have them tested by a reputable concrete testing laboratory and supply the Town of Renfrew with copies of results.
6. Concrete to be supplied between **7:00 a.m. and 3:30 p.m.** on twelve (12) hour notice and pours will be one (1) or two (2) loads per hour. Concrete shall be available until November 15th.
7. The minimum load order size shall be 2m³.

General Conditions of Award

1. Prior to final acceptance of the tender, the successful candidate shall provide WSIB clearance documents and proof of compliance with the Provincial Retail Sales Tax requirements. Valid WSIB clearance certificates must be maintained, and copies provided to the Town, for the life of the work performed under this tender.
2. Prior to final acceptance of the tender, the successful candidate shall provide the Town with a copy of the firm’s health and safety policy. The firm’s health and safety policy shall be adhered to at all times.

Declaration by Tenderer

In submitting a tender, the tenderer acknowledges that he has carefully examined these tender documents and understands and accepts the conditions set out herein.
