b) The owner of any cat shall not permit such cat to run at large at any time, in any public park, square, drive, street, lane, or any other public place in the Town of Renfrew, or upon any property not owned or leased by the cat owner.
c) No person shall use for any cat, a licence receipt, or a licence tag issued for another cat.

e) No owner or person having the care and custody of any cat shall permit said cat to become a public nuisance.

f) There shall be no more than four (4) animals kept or harboured at any one household at any time.

(B/L 47-2010)

5.0 IMPOUNDMENT

a) Any cat found running at large will be liable to be captured, impounded, and disposed of as hereinafter provided.

b) Unlicensed cats shall be taken up by the agents of the Corporation and impounded in the Animal Shelter, and there confined in a humane manner for a period of not less than five days (120 hours).

c) Immediately upon the impoundment of a cat, the agents of the Corporation shall make every possible effort to notify the owner of such cat impounded, and inform such owner of the conditions whereby they may regain custody of the animal.

d) When a cat is found running at large and its ownership can be ascertained by the Animal Control Officer, such cat need not be impounded, but the Animal Control Officer may, in his/her discretion, take the cat to their owner, and may cite such offending owner for violations of the provisions of this By-law.

6.0 REDEMPTION OF IMPOUNDED CATS

a) The owner shall be entitled to regain possession of any impounded cat within five (5) days upon payment to the Corporation of the sum of $15.00 per day for each day the cat was impounded.

7.0 DESTRUCTION/DISPOSAL

a) Cats not claimed by their owners at the expiration of the said five (5) days shall become the property of the Corporation and may be humanely disposed of by the Animal Control Officer, but shall not be sold for experimentation purposes. For the purposes of this By-law, if not disposed of by other means, cats shall be disposed of by means of a lethal injection.

b) Any cat found running at large, if the cat is diseased, injured, or in the opinion of the Animal Control Officer is dangerous, and whose owner cannot be located, may be destroyed by the Animal Control Officer or Police Officer at their discretion, rather than being delivered to the Animal Shelter. The Corporation shall not be liable for any damages or compensation on account of such disposition.
c) Where a cat whose owner cannot be located has been seized and impounded is injured or should be destroyed without delay for human reasons, the Animal Control Officer may dispose of the animal in a humane manner as soon after the seizure as he/she sees fit without permitting any person to reclaim the cat. The Corporation shall not be liable for any damages or compensation on account of such disposition.

d) When impounded cats are not claimed by their owners within the time specified by this By-Law, if deemed suitable as pets, they may be placed with new owners who will agree to such conditions as the Corporation shall prescribe.

8.0 RABIES CONTROL

a) Every cat which bites a person shall be promptly reported to the Health of Animals Branch of the Federal Department of Agriculture, or its agent, and shall thereupon be securely quarantined and shall not be released from such quarantine except by written permission of the Medical Officer of Health, or his/her agent. Such quarantine may be on the premises of the owner, at the shelter designated as the Town Animal Shelter, or at the owner’s option and expense, in a veterinary hospital of his/her choice. In the case of stray cats, or in the case of cats whose ownership is not known, such quarantine shall be at the Town Animal Shelter.

b) Every cat over the age of three (3) months shall be inoculated with an anti-rabies vaccine. The Animal Control Officer may require an owner to produce a certificate signed by a practicing veterinarian that the cat has been inoculated within the past thirty-six (36) months.

c) Every cat owner, upon demand made by the Corporation, shall forthwith surrender any cat which has bitten a human, or which is suspected as having been exposed to rabies, for supervised quarantine, which expense shall be borne by the owner.

d) During a period of rabies quarantine every animal bitten by a cat adjudged to be rabid, shall be forthwith destroyed, or at the owner's option and expense shall be treated for rabies infection by a licenced veterinarian, or held under thirty (30) days quarantine in the same manner as other animals are quarantined.

e) The carcass of any dead cat exposed to rabies shall upon demand be surrendered to the Corporation or its agents.

f) The Corporation or its agents shall direct the disposition of any cat found to be infected with rabies, subject to the direction of the Medical Officer of Health.
