Work will include the installation of a storm sewer, minor watermain work, road reconstruction of O'Brien Road to an urban cross section with a new center bi-directional turning lane, the construction of a new sidewalk on a portion of the South side of O'Brien Road and a new Park 'N' Ride off Mask Road. Curbside garbage and recycling collection will remain the same practice as currently, but we ask that businesses and residents mark their business name and address on their cans or containers. BEI will communicate any special needs with respect to garbage and recycling during the construction.

Project Accessibility

The Town and the contractor will take precautions to minimize interruptions, but as you can appreciate, there will be some inconvenience during the construction.
