## Rules & Regulations

**Float drivers must be aware of all parade rules and regulations. All parade entries must comply with the following safety guidelines:**

1. Float order is on a first come, first serve basis. The lineup is outside St. Joseph's High School (835 1st St.).
2. The route officials reserve the right to place certain floats or groups at specific locations along the route to coordinate music, walkers, horses, and bands.
3. All participants must obey all instructions from the route officials. Failure to comply may result in removal from the parade and may jeopardize future participation.
4. Every item on your float must be firmly and safely attached. Loose materials cannot hang from the float.
5. Do not throw candy or other material from your float, nor encourage children to come up to your float, as this presents a serious safety hazard. Any participant caught throwing candy or otherwise in breach of this rule will be required to exit the parade immediately. If your group would like to hand out candy, it must be done person-to-person only. Try to keep any food items "nut-free."
6. Maintain a safe distance between floats.
7. There will be no early exit of the parade route, except for an emergency. It is expected that all entries complete the parade route from start to finish.
8. Any horses or other live animals must be accompanied by a clean-up crew.
9. Alcoholic beverages are forbidden on any float, in any vehicle or on the person of any participant.
10. No entry may depict anything political, controversial, or otherwise offensive within the sole discretion of the Town of Renfrew.
11. Please have music and lights on your float – remember this is a nighttime parade.
12. No entry may depict Santa Claus and/or Mrs. Claus. We want to save our special guest for last.
13. Only one float is permitted per company/organization/group.
